

REMARKS

The Patent Office issued a Notice of Drawing Inconsistency with the above-identified application on July 5, 2005. This is a Response to that Notice.

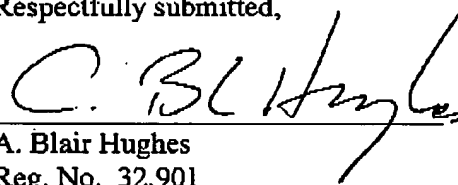

The applicants have overcome the drawing inconsistency with the specification of the above-identified application by inserting a description of Figure 17D into the "Brief Description of the Drawings" section of the specification.

This amendment does not add new matter to the specification.

Date: July 26, 2005
